

BLADE ECO

Industrial Luminaire with a Choice from Narrow to Wide Beam Distribution

Type:	An industrial luminaire with a choice of narrow, middle or wide beam lamp holder position.
Specification:	High efficiency MIRO aluminium reflector with multi-position lamp holders mounting system. IP23 rated body is made of galvanised steel. Luminaire is plastic-wrapped and packed in single boxes.
Installation:	Surface luminaire is designed to be fixed to ceiling of any type or suspended.
Application:	Indoor. For use in warehouse, production facilities, halls, logistics centers. shops and sports facilities.

The industrial luminaire with changing lamp holders place allows to choose three different light beam distributions: narrow, middle or wide.
